General No. 478

No. 35

Have the honour to state that on personal inspection yesterday, the undersigned found all the servants of the Bommagondanahalli & Chattram absent from the Village except the Cook and the Sweeper. On enquiry it was ascertained that most of the absentees had neglected their work and gone away some time back. They are all servants entertained very recently, namely subsequent to the transfer of the Chattram from Collector about a year ago. The practice of serving cooked food except to sick and

and old travellers is liable to abuse and may be discontinued here in the same way as in several other Chattrams of this District. The undersigned has therefore in anticipation of sanction dispensed with the services of all but (1) water man and Cook and (2) Sweeper. No provision need be made for persons thus thrown out of employment. To induce the remaining two to give their whole time and attention to the Chattram, it is proposed to raise their pay from Rs. 3-10-0 and 4-11-0 respectively to Rs 5 and 1½. The issue of rations or food to them in addition to pay as heretofore will in future be stopped. Travellers will get only raw rations except the sickly and old. The water man and Cook, will not only be in charge of the Chattram and fetch water for travellers but also cook for such as may not be able to cook for themselves. The proposed arrangement will enable more travellers being benefitted by the existence of the Chattram than at present. The scale at present is,

Rs 13-4-0 Pay of Servants
17-4-0 Rations.
Total Rs: 31-2-0

The future scale will be,

Rs: 6-8-0 Pay.
4-8-0 Contingencies
24-2-0 Rations.
Total Rs 31-2-0

The undersigned begs to solicit sanction to the proposals mentioned above.

C. Deputy Commissioner.

Order thereon No. D/Bangalore 20th Jan'y 94

The Dy Commissioner reports that during his recent inspection of the Chattram he found all the servants except the cook and the sweeper absent from the Chattram

that on enquiring it was found that these servants who were entertained only a year ago had neglected their work and gone away from the place, that under the present practice of giving cooked food which is open to much abuse, the bona fide travellers are not at all benefited and proposed therefore to introduce the system of issuing raw rations instead, except to sick and R d travellers and to redistribute the Tasdik allowance of the Chettiars amounting to Rs 31-2-0 per mensem as follows :—

| | Present Scale | Proposed Scale. |
|---|---|---|
| Establishment | Rs 13-14-0 | Rs 6-8-0 |
| 2 Paditthura | Rs 17-14-0 | Rs 24-2-0 |
| 3. Contingencies | 0-0-0 | Re 0-8-0 |
| | Total Tasdik Rs 31-2-0 | Rs 31-2-0 |

2. Under the above circumstances the proposals of the Dy Commr are sanctioned. As the waterman and the sweeper are to devote their whole time to the Chattram duties and as the issue of raw rations they were in receipt of in addition to their pay, will be stopped in future, Government are pleased to raise their pay from Rs 3-10-0 and annas 11/- to Rs 5/- and Re 1/8/- respectively. The future establishment and the feeding allowance of the Chattram will be as noted in the margin*. The posts of the Chattram the other servants will be abolished from the 1st January 1894 and no

provision need be made for them as they were all entertained recently.
